

Points of You® Academy Certification Process

Once you complete all of the level's requirements you receive a Certification of Completion Title:

As you climb up the ladder of **Points of You®** Academy certification levels, new business opportunities become available. Certified Practitioners, Experts, Masters and Lead Masters join the official **Points of You®** facilitation team in their region. Backed with a **Points of You®** Country Leader, our professional facilitation team receives ongoing marketing and business support, tailor-made for their needs. **Points of You®** Certified facilitators may facilitate the levels below

These are the 4 steps that accompany each level of our certification process:

- Learning** Coursework required for certification, differs in each level as you move up in the ladder of knowledge.
- Practicing** Hours of field experience.
- Becoming the title** You reach each title after completing the certification process.
- Facilitating** Turning your knowledge into profit.
